

September 18, 2006 Committee Meeting Minutes

Troop 165 Committee met on September 18.

We discussed fundraising and the budget. The budget submitted is shown below. The committee established the following policy

Each boy below the rank of Eagle is responsible for dues of \$5.00 per month.

Each boy of any rank is responsible for fund raising activities to support the troop for \$40.00 per year. Monies earned during fund raising activities will first go to cover the troop portion and secondly go into the boys individual scout account.

Each quarter during the boys scout master review he will be responsible for bringing his dues current. This can be done by paying the dues out right or by using monies in the boys individual scout account.

We decided that we would have a popcorn fundraising but that there would be no minimum requirement for boys to sell. The troop will have other fundraising events and a schedule for these events would be developed.

	Budget	18-Sep-06 occurance	Qty	unit cost	yearly
