

Minutes from the Troop 165 Committee Meeting of 24 April 2006

Calendar review: Because of the postponing of the Back packing trip from 21 to 28 April the Rappahannock river hike was rescheduled for 15 May at 600. There will be no meeting on 29 May (Memorial day) and 3 July (Independence day). The back packing trip on 2 June is in flux. There will be a camping activity but it needs to be defined. Both bike rides, Pitts to Cumberland and C&O were erroneously reported at the meeting and on the calendar as beginning on 5 July. They begin on 9 July and end on 22 July.

Mr Mittura still needs to plan JLT training.

Ms Miller accepted the sub committee chair for Fund raising
